

Invited Oral Presentation

An overview of Great Lakes phosphorus loading with an emphasis on Lake Erie.

Russell G. Kreis Jr., R. Peter Richards, David M. Dolan, David A. Griesmer, and Glenn Warren

Great Lakes Water Quality Agreement, Annex 4 Nutrients Subcommittee Meeting. NOAA-GLERL, Ann Arbor, MI, October 29, 2014

No abstract.

There is high potential that the body of work and data being conducted and used by this workgroup will become guidance under the Great Lakes Water Quality Agreement.
